## **Travel Policy**

### **Part 1 – Single day competition, bus travel**

Whenever a bus is used for team transport and the competition is one day or part of a day, all athletes attending the meet will be charged a fee to cover the cost of the bus. It doesn't matter whether the athlete rides on the bus or not, the charge is the same.

### **Part 2 – Multi day competition**

Multi-day meets may be designated by the coach as team travel competitions. If a competition is so designated then all athletes attending the meet will be charged a share of the total team travel expenses.

A deposit, the amount of which will be determined by the coach, will be required at the time of registration for the meet. This deposit will be calculated to reflect the best estimate of what the trip will cost. Adjustments will be made following the meet when actual costs are available. No athlete will be entered in the meet unless the deposit is received by a specified date.

Shares are determined by dividing the total number of athletes, coaches and chaperones (if any) into the total cost of the meet. Families will be charged shares based on the number of athletes from each family who attend the meet. Coach and chaperone shares are charged to the club.

Costs can include hotel charges, van or bus rental, gas, tolls or any other kind of charge directly related to moving and housing the team while on the way to the meet, at the meet and returning from the meet.

In the event that not enough athletes register for a team travel meet the coach may, at his discretion, designate the meet as a family travel event or remove it from the calendar entirely.
