Building a Culture of Achievement

Update #186

Carbondale 500 Meet Week Has Arrived!

We are finally to the week of the Carbondale 500. The coaches and swimmers are ready after a Fall season of strong practices. Beginning Friday, almost 500 swimmers will converge on the SIU campus to compete in our home pool. This meet will be exciting and an excellent opportunity for our team and for the many other swimmers from five different states.

As we look ahead to the weekend, we as a team need to remember that we are playing the host this weekend. We are blessed with a great facility and great swim families. We have top notch equipment and officials. But this weekend will only truly be successful if all of team/families join together and work hard to make it successful. It takes about 28 workers per session to run the meet. With only 61 swimmers entered in the meet, we will have to have everyone in order to fill the worker spots. So if you have not already signed up to work, please sign up today on the website. If you are signed up to work, but can work another session... we would greatly appreciate your help!
